Increase Profits by 28%!

This is an actual example of how one of our customers increased his fry sales by adding our Chef's Fun Foods Fries Seasonings to create a multi-flavored menu. Simply adding the variation of seasonings to the menu resulted in a marked increase in fry sales and a growth in gross french fry profits of over 28%.

For each store selling \$1,000 of regular fry servings per week, adding the variations of flavors can increase a second fry sale which can add over \$280 in incremental profits every week - nearly \$15,000 annually per location.
