Tatostix Electronic Machine

- The Tatostix Electronic Machine is FULLY automated. With the push of a button the machine spirals the potato through the blade. At the end of the cutting process the machine automatically resets to the start position
 - An automated counter logs each Tatostix that is cut. This counter is tamper proof and cannot be reset.
 - The machine is made from 304 grade stainless steel which makes it very durable and easy to clean.
 - An improved high torque motor for large potatoes, and other vegetables
 - Rubber pads under the machines base for ease of use on a wide range of surfaces while maintaining a solid nonslip performance.
 - The machine runs on both 110v and 220v.
 - An interchangeable blade allows slicing options.
 - A pause and reset button for emergency stop.
 - A sliding sneeze guard for sanitary purposes.
 - The magnetic collection tray fits neatly beneath the blade and ensures that no potato juices spill onto the counter.
 - The grip, sneeze guard, blade and collection tray are all dishwasher safe, allowing for easy cleaning
 - Has a very small footprint, with dimensions of 18.5" x 8.25" x 9"
 - A 1 year/30,000 cut warranty
- Tatostix Electronic Machine Accessories
 - Straight cut stainless steel blade
 - Crinkle cut stainless steel blade
 - 3-Prong stainless steel Grip
 - Stainless steel Collection Tray
 - Sneeze Guard

Consumable

- Not only is our line of Gourmet Fries Seasonings delicious on fries and many other foods, they are also an exciting aspect of Tatostix. After frying each Tatostix is gently seasoned with one of the following delicious Gourmet Fries Seasonings:
 - Cheesy Cheddar
 - Flame Grilled BBQ
 - Garlic Parmesan
 - Ketchup
 - Salt & Garlic Pepper
 - Salt & Vinegar
 - Sour Cream & Onion
 - Wild Buffalo

ChipwYTE

Chef's Fun Foods ChipwYTE preservative allows you to pre-cut Tatostix ahead of your event and store them for frying on an as needed basis. Mix 3 tablespoons of ChipwYTE with a gallon of water. Once the Tatostix has been cut it is dipped into the solution for 10 - 20 seconds and then removed. This will keep the Tatostix from turning
